

Contracting Office Address

NASA/John F. Kennedy Space Center, Procurement, Kennedy Space Center, FL 32899

Description

NASA/John F. Kennedy Space Center plans to issue a Request for Proposal (RFP) for **NNK14518162R-Upgrade Camera Infrastructure, LC 39B**, John F. Kennedy Space Center, Florida.

THE CONTRACTOR SHALL PROVIDE THE NECESSARY RESOURCES:

For upgrading and modifying the camera infrastructure (e.g. power, enclosures, concrete pads, and supports) at Launch Complex 39B (LC 39B) and add a power connection at the pad surface. The camera locations include the pad surface, the six camera sites along the pad perimeter road, and various other areas around the pad. The LC 39B area will be undergoing other construction modifications during the performance of this construction project.

The NAICS code for this procurement is **238210** with a small business size standard of **\$14M**.

The effort will include only one task:

Task 1 – Upgrade Camera Infrastructure, LC-39B

The Performance Period shall be **183 calendar days** after notice to proceed. In accordance with Federal Acquisition Regulation 36.204, Disclosure of the Magnitude of Construction Projects, the estimated price range is as follows:

The total estimated cost of this project is in the estimated construction contract price range of between **\$500,000 and \$1,000,000**.

The acquisition shall be conducted as a **100% small business set-aside**.

The anticipated release date of the RFP is on or about **July 18, 2014** with an anticipated offer closing date of on or about **August 18, 2014**. The firm date for receipt of bids or proposals shall be stated in the RFP. A site visit will be scheduled on or about **July 29, 2014**. Prime contractors will be limited on the number of personnel in attendance.

Drawings have an Export Determination of EAR 99 and are considered controlled documents. Therefore, download of documents won't be permitted until requesters have been cleared through Defense Logistics Information Service (DLIS). **Please begin FedBizOps registration immediately since clearance could take a couple of weeks.**

All responsible small business sources may submit a proposal which shall be considered by the agency.

An ombudsman has been appointed -- See NASA Specific Note "B".

The solicitation and any documents related to this procurement shall be available over the Internet. These documents will reside on a World-Wide Web (WWW) server, which may be accessed using a WWW browser application.

The Internet site, or URL, for the NASA/KSC Business Opportunities page is <http://prod.nais.nasa.gov/cgi-bin/eps/bizops.cgi?gr=D&pin=76>

Prospective offerors are encouraged to register their intent to submit an offer on www.fedbizopps.gov. Search for the solicitation number and then select "Add Me To Interested Vendors." It is the offerors responsibility to monitor the Internet site for the release of the solicitation and amendments (if any). Potential offerors will be responsible for downloading their own copy of the solicitation and amendments (if any).

All contractual and technical questions must be submitted by email. Telephone questions will not be accepted.
